MISSION CRITICAL EYEWEAR®

We are there in a time of need...

Thank you for your interest in the Vermont National Guard Charitable Foundation, Inc. The Foundation was founded in 2005 by the Adjutant General of Vermont as a private, nonprofit organization which serves to meet the emergency financial needs of the soldiers, airmen and families of the Vermont National Guard.

The Vermont National Guard Charitable Foundation, Inc. is a private, 501 (c) (3), non-profit organization (Tax ID Number 84-1670925). Our mission is to provide emergency financial assistance to the soldiers, airmen and families of the Vermont National Guard without the obligation of repayment.

The demands on the members of the Vermont National Guard have increased significantly since September 11, 2001 and the ongoing conflicts in Iraq and Afghanistan. As the men and women of the Vermont Guard continue to answer the call

to duty, they face untold financial hardships as they cope with the difficulties of being separated from their loved ones. This is in addition to the financial strain that all Vermonters are experiencing given the current state of the economy. More and more, Vermont National Guard families are struggling financially to meet their basic living needs.

The Foundation recognizes the special sacrifices made by the soldiers, airmen and families of the Vermont National Guard and the hardships of military service by meeting a financial need beyond that normally provided by State and Federal agencies. The Foundation is uniquely positioned to quickly provide emergency assistance to the men and women of the Vermont National Guard.

The Foundation has been there for our families during their time of need by providing grants to appropriate and deserving members of the Vermont National Guard. Through the generous support of thousands of Vermonters, assistance is made available to meet the emergency needs of guard members without the obligation of repayment.

Since its inception, the Foundation has provided over \$250,000 in grants to meet a variety of needs from mortgage payments and car loans to heating fuel, home repairs and utility

payments, just to name a few. The Foundation is proud of the contribution that it makes to the men and women of the Vermont National Guard and we are very proud to be able to provide this much needed assistance.

Currently, members of the Vermont National Guard are preparing for the largest deployment since WWII. This historic deployment will place an additional financial strain on the families left behind. Please consider expressing your gratitude to the men and women of the Vermont National Guard with a donation to support them in their time of need.

The Foundation gratefully acknowledges the many dedicated volunteers who support our activities throughout Vermont. Their continued support has allowed the Foundation to operate without a paid staff since its inception.
